ADOPT A TIGER 2021 PROGRAM

www.tigersfc.net.au

FROM THE PRESIDENT

We all are keeping our fingers crossed that the 2021 TSL season and the 2021 SFLW season return to relative normality this year, we get away on time and a full roster is played. The preseason for both the men and the women's groups has been very different with the work only recently commencing due to the late finish to season 2020.

Our aim this year will be to make a huge impact in the 3 competitions we will be represented in; TSL, TSL Development and SFLW. The core of our lists have committed for another season which adds to our development, strength and consistency we have some new faces at the club and some younger Tigers making the progression up from u'18's to TSL development which is always exciting to see at the club. At this stage the TSL season is expected to launch on Good Friday, 2nd of April 2021 most likely away to North Hobart. The women's roster is still being developed, but we will be primed for a big start to the year whom ever we come up against.

The cost of providing the program for our young men and women who aspire to play AFL at the highest level they can continues to increase every year. You can help our Tigers achieve their AFL goals by considering adopting them for season 2021. Sponsoring a player is a great way to become involved and support the Tigers. Not only does it relieve the financial burden of playing for the player, it gives you or your business exposure with club networks as a contributor back into the community. Adopt a Tiger sponsorship provides you with the opportunity to attend our exclusive Adopt a Tiger function at a Tigers home game, A personalised photo of your player and acknowledgment though club social media and Adopt a Tiger board within the club, also acknowledgment on the BIG screen at Twin ovals on game day as the players warm up, plus two (2) full memberships.

Even if you don't have a business and you attend the footy regularly or are considering a Tiger membership, Adopting a Tiger is a rewarding way of supporting the Tigers. Please consider jumping on board with the Tigers for season 2021 in this way and join with me in cheering the Tigers as we aim to create havoc in season 2021 for anyone we play.

Go Tigers and see you at the footy.

Paul Gadowski
President
